

Candidate Consent

By proceeding you are granting Veremark permission to process your personal data in order to carry out background verification checks.

For full details of how we process your personal data, as well as an explanation of your rights, please see our Data Protection Policy.

Please be aware that we may use the services of third parties and/or contact identified third parties (such as academic institutions and former employers) to verify the accuracy of any data and/or documents that you provide to us.

The results of our verification checks will be communicated to the party which has requested the verification exercise. The results will be held on file for the party in accordance with their data retention policy.

If you acknowledge and agree to the above, print name and sign below.
