## **Report of Evaluation of Educational Credentials**

**Name:** SINDAC, Alden O.

**Purpose:** Professional Licensing

**Country:** Philippines

1. Diploma, 1985, awarded by Lipa Adventist Academy. It is equivalent to a high school diploma in the United States.

2. Bachelor of Science, 1990, awarded by Centro Escolar University, following a program in medical technology, including one year of internship. Study was completed at Philippine Union College, Mount Carmel College and the awarding institution. The degree is equivalent to a bachelor's degree in medical technology from an accredited institution in the United States.

3. The courses completed are converted to U. S. semester credits and grades on the following sheets.

4. ~~This is an assessment of educational documents only.~~ World Education Services does not evaluate accomplishments outside of actual academic training. Thus, we do not provide judgment on professional experience; only qualified authorities in the field of specialization can determine the extent and level of professional expertise, or whether a foreign-trained medical technologist may be certified in the United States.

5. In summary, it is the judgment of World Education Services that Alden O. SINDAC has the equivalent of a high school diploma and a bachelor's degree in medical technology from an accredited institution in the United States.
