

CONSENT AND AUTHORISATION:

I hereby provide my authorisation and consent for HireRight, on behalf of Requestor to:

1. process my Personal Data in accordance with the verifications set out in the Information Notice and below:
 - **Managed Adjudication** – the Requestor has provided HireRight with criteria, guidelines and instructions to be used to determine whether the information in your Screening Report satisfies Requestor's eligibility criteria ("Adjudication Guidelines"). These Adjudication Guidelines are applied to the Screening Report information reported by HireRight and Requestor receives a status that reflects the outcome of such application. Final status is determined solely by Requestor after review.
 - **Global Education** This check confirms academic credentials by verifying relevant education as determined by the Requestor, for example a degree, certificate or diploma claim directly with the awarding institution or its authorized agent
 - **Global Employment** A check to confirm your work history. You will be asked to provide company name, location dates worked and position or title held. This information will then be verified by contacting HR or official sources at each company to be verified. The Requestor has also requested that your reason for leaving prior roles is collected. This list is a predetermined list and you will complete this within the screening form. The same list will then be sent to your prior employers to complete. Any discrepancies will be sent to the Requestor. Self-employment (if applicable) will be verified via documentation provided by you.
 - **Global ID Check** You will be asked to upload a copy of your government issued ID along with completing some basic personal information within Applicant Centre 2.0 (AC2.0). Where your ID document has a machine readable code (MRZ) the MRZ will be reviewed against the information you provided to evaluate the validity of the ID. In cases where your ID document does not have an MRZ code, a copy of the ID will be sent to a vendor located in the country the ID is issued from who will perform relevant checks where such a vendor is available to validate your ID. The results of such verification will be outlined in the Screening Report. Further information as to sources and information returned can be made available on request
 - **Criminal Check** Your address history will be used to identify jurisdictions in which you may have resided and gained a criminal conviction history which may have bearing on your suitability to carry out your role. These checks are subject to the availability of information. Requestor has performed a review of the nature of your role and determined that either a Global Criminal Check is relevant and proportionate in context of the functions of your role OR they are permitted to review this information under relevant local laws. Further information as to sources and information returned can be made available on request.
 - **Address Verification** Verifies your provided residence history up to the number of years selected.
 - **Professional Qualification Verification** A check to verify your claimed professional or trade memberships and qualifications and confirm the level attained and the date achieved.
