

To whom it may concern,

Good day,

Recently, I requested your office to send my academic credentials to Josef Silny for my NCLEX application. I give authorization/consent to Josef Silny to evaluate my academic credentials and to release any information that they may require from my nursing school- Centro Escolar University.

Furthermore, I authorized/consent to Centro Escolar University to release any information/verification to Josef Silny to complete my application for credentials evaluation to their office.

I highly appreciate your assistance in this matter.

Thanks,

  
Alvin Villarin
